After School Program

Dear Parents/Guardians,

With having such a crazy ending to the school year, I am excited that we will be able to have Steamer Success. I wanted to let you know what the schedule for this year is, as it is a little different from previous years.

After School will be from 1:45 - 5:00 pm. Students will be notified where they will meet. It will be in one of three locations; cafeteria, small gym or foyer, where they will begin with an enrichment activity until 2:45. After cleaning up from the activity they will be given hand sanitizer and snack. Once they are finished with their snack they will head outside for recess. At 3:30 their assigned teacher will pick them up, go back to the classroom, with the teacher reteaching any school day lessons that the students are not understanding and then have time to complete their homework. Students will be dismissed at 5:00 pm and will follow their dismissal routine as stated on the registration form. Walkers and students being picked up will be dismissed out the front door. Bussers will be dismissed out the playground doors.

Remote homework help will be offered beginning August 25th and run Monday through Thursday from 5:30 - 7:00 pm. Students will be able to log onto Google Meets with a teacher that will answer any questions they may have. Log on information will be sent home before August 25th.

Unfortunately we will not be able to offer Morning Tutoring until we go back to the normal school schedule.

Because of restrictions on the use of school building space program enrollment may need to be limited. Student enrollment will be prioritized on the basis of academic and social emotional needs. All COVID-19 school regulations will be followed, including wearing a mask while adhering to the social distancing guidelines.

If you have any questions, please do not hesitate to contact me.

Sincerely,
Ms. Ehnle
